## How do I sign up?

---

### Joining Pro-Karate classes is very easy!

There are only a few things you need to do.

#### 1. Contact Form

- Fill out a contact form (if not already completed) so you can receive emails and updates and any notifications regarding your child whilst training in your absence. An online contact form is accessible following the link below:  
[www.cognitofrms.com/ProKarateSenseiAimee/ContactForm](http://www.cognitofrms.com/ProKarateSenseiAimee/ContactForm)

#### 2. Standing Order/Subscription

- Set up your monthly subscription authorisation payment by completing the form below:  
[www.cognitofrms.com/ProKarateSenseiAimee/ClubSubscriptionAuthorisation](http://www.cognitofrms.com/ProKarateSenseiAimee/ClubSubscriptionAuthorisation)

#### 3. Pro-Karate Licence

- Within your first month of joining ensure you have purchased your child's license book. Your license book provides your affiliation to Pro-Karate Academy and the English Karate Federation (EKF), the only governing body of Karate in England recognised by the IOC Olympic Committee.
- Your license book is also required for gradings. With every new belt your child grades for, you must hand in your license book so that the Sensei marking them can sign and date and update their book with their new belt achievement.
- This is an annual fee that needs to be updated every year.

#### 4. Starter Packs

- Lastly for our gradings just like school exams you must be in the correct uniform. Therefore, before your child's first grading you will need to purchase a starter pack.
- We recommend these are purchased within the first month as it usually only takes two months or less before they are ready to go for their first belt. Starter packs can be ordered online following the link below:
